CERTIFICATION TESTING CENTER AT WEST-MEC OPEN TO THE PUBLIC

Glendale, Ariz. (Sep. 14, 2020) Western Maricopa Education Center (West-MEC)--a public career technical education district-reopens its Testing Center to the public.

West-MEC has partnerships with Certiport and PearsonVUE to provide a convenient and secure testing site for certification and licensure exams. Conveniently located just off the 101 freeway at 5405 N. 99th Avenue in Glendale, there are over 200 certification options available to community members.

Popular certification options include:

- American Medical Technologists Registered Medical Assistant
- ACSM Certified Professional Trainer
- CIW JavaScript Specialist
- Pharmacy Technician Certification Board
- QuickBooks Certified User
- Microsoft Technology Associate (MTA)
- Adobe Certified Associate (ACA)

Community members should schedule their appointment directly through the Testing Agencies:

PearsonVue: <https://home.pearsonvue.com/>

Certiport: <https://certiport.pearsonvue.com/Certifications>

West-MEC's testing site is following all recommended CDC guidelines to ensure safety during the COVID-19 pandemic.

About West-MEC:

West-MEC is a career technical education public school district that focuses solely on innovative career and technical education (CTE) programs that prepare students to enter the workforce and pursue continuing education. West-MEC CTE programs provide students opportunities to earn college credit and industry credentials. West-MEC serves more than 37,000 students from 48 high schools, across 3,800 square miles in the northern and western cities of the Phoenix Metropolitan area. West-MEC now also offers adult education programs. Visit www.west-mec.edu for more information about West-MEC's career-driven education opportunities or follow us on Facebook, Twitter, and Instagram.
